UPDATE ON ARENA

After a few glitches and uncertainty, the ice is ready to be used!

For rentals:
Contact the arena at 819-647-3801
Avoid using the personal phone numbers of Wes and Matt.

If you get the arena voicemail, your call will be returned.

Depending on how much ice is rented, we might not be open every day. Attempts will be made to fill each day before we decide to open the following day.

More details will be given when you call the arena.

**Reminder that no residents from red zone are allowed**

No Mask, No Entry

A complete list of rules will be supplied and it will be mandatory that it be signed by the renter.

Thanks for your patience.
